

Unit 2:

My Family

Lesson 6 – **My Family Members**

Lesson 7 – **The role of each family member**

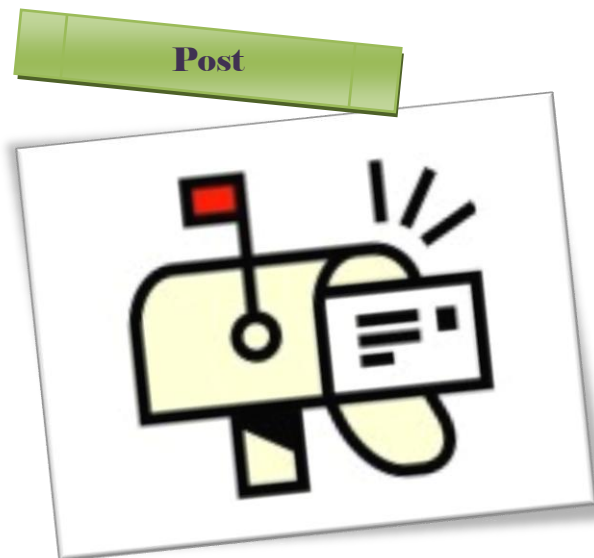

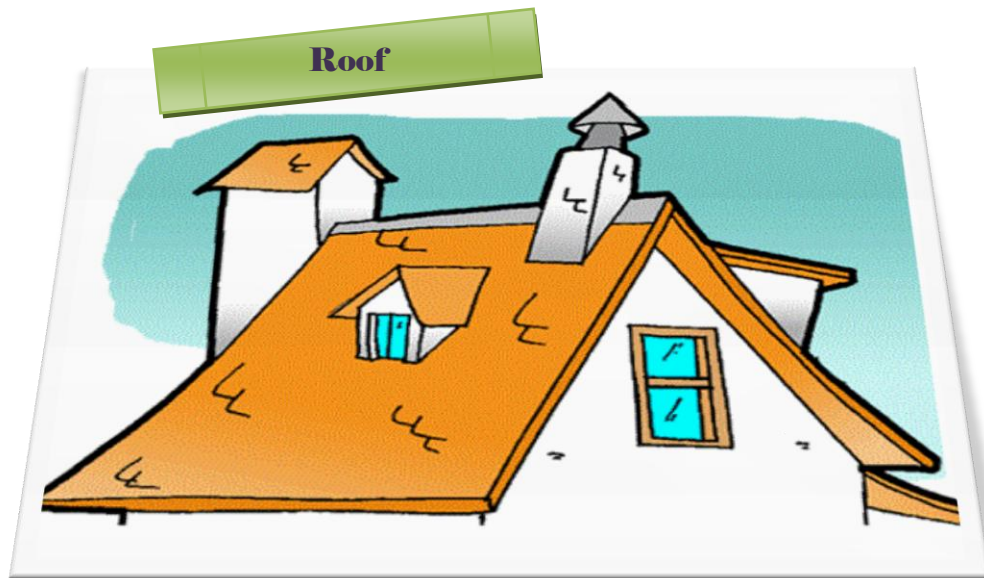

Dad = To provide for and love the family. He is like the leader of the house. Whenever a family problem comes, he sits with the Mom and they work out a solution.

Mom = She takes care of the family (including herself), help keep the house in order and help out everybody throughout the day if she's not at work. (<---Moms can work if they have to or decide they want a small part time job.)

Kids = To go to school, be loved by their family, and to enjoy life by experiencing new things, staying fit, ect.
